21st Birthday Reception

in
The Royal Hotel

"GOOD HEALTH"—In Milk—Mr. Wm. Young, Vice-Chairman, The Scottish Milk Marketing Board, proposes the principal toast to the three Partners.

BIRTHDAY PRESENTS—The Staff presented to each partner a Silver Salver, appropriately inscribed. In this photograph Miss McHoull (Shop), Mrs Gilroy (Dairy) and Miss Blackwood (Office), who made the presentations, are seen with the partners' wives.

ONCE AGAIN — We would like to express our thanks to the Staff for these handsome gifts and for the good wishes which accompanied them. The gesture (a complete surprise) underlined the reference made earlier in the evening by Mr Young when he spoke of, ". . . . the happy relationship between Staff and Partners, one of the reasons for the steady progress of the business."

By The Way . . .

THE ROYAL HOTEL, now on the Approved Lists of the Automobile Association and the Royal Automobile Club, was granted a Licence in November, 1957. A complete Hotel Service can now be provided.

THE NEW BAKERY, at present under construction alongside the existing premises, when completed early in 1958, will be one of the most modern of its kind in the county. In addition to our normal lines, it is hoped to introduce the production of morning rolls for delivery with the milk.

OTHER PROJECTS in mind, include the re-arrangement of our premises in The Square to provide a more commodious Shop and a Snack Bar Service of the type now so popular in the Cities. Our constant aim throughout the business, is to provide that high standard of service which the modern housewife demands.

THREE HUNDRED HOMES have been added to our Calendar List this year, making a new record total of 6,500. Some of these are in the new housing areas at Craigen and Dronan, others are in districts formerly served by Mr David Lang, Coylton and Mr John Corbett, Auchinleck, both of whom have now retired from business. We welcome these opportunities of extending our service and assure new customers of our very best attention to their requirements.

OUR 1958 CALENDAR, for reasons of economy, differs from those of previous years in having two months to the page instead of one. We hope the changes have not altered its character to any great extent, and trust customers will continue to find it a useful and acceptable gift.
