Photos by James G Smith 1940- 1994

James G Smith (Jim) lived in Cairn Road, Cumnock and worked at Strand Nursery in Cumnock. He took lots of photos of Cumnock and the local area, often of changes such as the demolition in the town centre in the late 1970s and x\$xs some aerial shots taken from a small plane. He was a single man. His cousin Helen Atkinson passed a large bundle of his photos to us and we've been scanning our way through them. We have been posting them on the Cumnock History Group website page and will get them added to the main site eventually. For those of you not on Facebook, here is a selection for you to enjoy.
